Code	Finish
03	black
09	chrome plated
10	aluminium
17	satin nickel
54	matt white

N This drawing shows the spotlight's overall dimensions. See installation manual for more details.

ATOM is a spotlight designed for recessed installation in a **hole Ø57mm** just **8mm** deep. It is installed on wood panels with both through and blind holes. **ATOM incorporates a special LED module with LPG diffuser**, ensuring a uniform projection beam without the dot effect.

For Tunable White and White Changeable versions, consult the **Tunable White & White Changeable collection** catalogue also available on www.domusline.com.

Spacers are available on request for surface installation:
