

Extraíble de armario alto Pleno Maxi

Armario alto con el máximo aprovechamiento del espacio, cómodo acceso y gran claridad organizativa para muebles con puertas con bisagras, disponible en dos versiones con diferente división de estantes

Al abrir la puerta, se puede ver claramente la totalidad del contenido porque este se desplaza saliendo del mueble.

Pleno Maxi aprovecha al máximo el espacio de almacenamiento disponible en altura y anchura para ofrecerle la máxima claridad organizativa. Cuando se abre la puerta, los estantes se deslizan hacia fuera y se puede ver dónde está todo inmediatamente. Además, la cómoda versión Plus distribuye la zona superior entre la puerta y la estructura del mueble, de modo que se puede alcanzar cómodamente incluso el objeto que se encuentre más al fondo del armario. Pleno Maxi es ideal como despensa central o como armario completo de vajilla.
